Impressive Profit. Outstanding Reputation. Clear Path to Growth.

This is a rare opportunity to take over a well-established and consistently profitable electrical contracting business servicing Hawke's Bay's domestic, commercial, rural, and light industrial sectors.

With over 30 years of trading history, the business is known for its reliability, workmanship, and trusted client relationships.

Revenue and profit have shown strong year-on-year growth, with the latest financial year delivering a significant uplift in earnings. This momentum reflects improved efficiency, solid financial management, and increasing demand across all service areas - making the business's recent performance hard to ignore. Serious buyers will want to take a closer look.

What Makes This Opportunity Stand Out:

- * Excellent Financial Growth
- * Flexible Operation

The business is experiencing strong forward demand, with a solid pipeline of work already booked for this year. Expanding the workforce would allow it to take on more of this growing demand and unlock additional revenue potential.
