Camden Co. Online Ecommerce Brand With Wholesale Reach

Due to a serious health event affecting one of the founders in late 2023, Camden Co paused operations in 2024 and has not resumed trading.

This isn't just a business for sale, it's a heartfelt opportunity to take on a brand cherished by many and ready for fresh energy. With just one working owner needed, you can build this business around your lifestyle, whether as a side hustle or a full-time venture. Reinvest and grow it back to \$370,000+ revenue (2022 levels), or simply do what works best for you. Flexible opportunities like this don't come around often!

The product range includes Door stops, eye masks, heat bags, bedding, cushions covers and more. All beautifully crafted and gift-ready. If you own a retail, gift box, or lifestyle store, this is a fantastic chance to add products with strong margins and double your returns.
