

Beverage Manufacturing Business for Sale South Auckland

A turnkey operation in South Auckland suitable for someone who wants to enter the beverage industry at a very reasonable cost, or move existing production to Auckland as it is NZ's biggest market.

We have for sale a complete Beverage Filling plant that fills PET bottles for many types of long shelf life beverage products including Fruit juice, Sports drinks, Energy drinks, Iced tea, etc.

It can produce sizes ranging from 250ml to 3L.

The production equipment is installed in its own filling room with self draining floors.

The factory has pallet racking for around 160 pallets with room for another 80 when required.

This is a turnkey operation in South Auckland suitable for someone who wants to enter the beverage industry at a very reasonable cost, or move existing production to Auckland as it is NZ's biggest market.

Included with the sale will be proprietary 1L and 2L molds for the bottles.

Business includes two well known Brands with customer base, including some export.

Selling due to illness, huge potential, all the hard-work has been done for you.
