Fire Protection Sales & Service - Owner Retiring

Profit \$270,450

No staff, No Stock, Home Office

Fantastic opportunity to acquire this simple-to-operate business with real scope to grow.

This is an uncomplicated business that provides a range of recession-proof, legislated and compliance-related products and services to a well-established and broad base of clients.

The owner is looking to retire and has built the business with so many features you would want if you were after the perfect business, but rarely find:

- Home office
- No staff
- No stock
- No qualifications required
- No weekends or after hours
- 7 weeks' holiday annually

- Over 1000 regular clients

- Contract in place with a well-known food retailer

- Consistent revenue & Profit last 5 years

- Plenty of growth opportunities for an energetic new owner

The business would suit a practical person with some technical aptitude, and ideally with a background in security, health & safety, fire service or trades would be an advantage, but not essential.

If you're confident and have good people and communication skills, this could be the opportunity you have been looking for. Be quick this will not last long!
