

Home and Commercial Cleaning Franchise for Sale North Shore Auckland

Green Acres Home and Commercial Cleaning Business

This established home and commercial cleaning business offers a fantastic opportunity for someone seeking flexibility, stability, and growth potential. Current franchisees enjoy the flexibility to tailor their schedules and the ability to work around school drop-offs and pick-ups, making it ideal for working parents.

The business boasts a long-standing commercial client - a well-known 24/7 gym chain which has been serviced consistently for over a decade, highlighting exceptional customer retention and trust. This relationship not only provides reliable income but also serves as a strong foundation for expanding into similar cleaning contracts. Additionally, there's ample opportunity to boost earnings by filling daytime slots with home cleaning clients, allowing a new owner to scale the business according to their financial goals.
