Master Franchisee Licence Recurring Income - Work from Home North Island

Business Overview

Are you looking for a highly profitable and easily scalable business? An exceptional opportunity has emerged to acquire a well-established business within the booming home services sector. This is a rare chance to step into a turnkey operation with a stable and predictable revenue stream. You'll acquire a business that thrives on recurring income and benefits from an established system of franchisee support and training. The minimal overheads and flexible location make it an ideal venture for a new owner looking for significant growth potential in a consistently expanding market. With a strong brand and a loyal client base already in place, you can leverage immediate profitability and continue to scale this successful enterprise.

Key Highlights:

- > *Extensive Network:* Operates with a robust network of 82 active franchisees
- > *Vast Client Base:* Provides regular services to nearly 6,000 clients, primarily residential.
- > *Consistent Growth:* Shows year-on-year growth and generates recurring royalty income.
- > *Low Overhead:* Can be operated from a home office, minimising costs.
- > *Proven Model:* Leverages a proven business model with strong brand recognition and ongoing franchisor support.
- > *Diverse Services:* While focused on regular lawn mowing, competent franchisees also offer general garden maintenance and hedge trimming.
- > *High-Growth Industry:* Taps into New Zealand's \$500 million annual lawn care industry, driven by increasing demand for outsourced home services
- > *Comprehensive Franchisee Support:* Franchisees benefit from regular support, training, and lead generation tools.
- > *Flexible Location:* Can be operated from anywhere, although the Upper North Island (Tauranga, Hamilton, Auckland) is suggested.
