Urgent Sale! Closed Down Food Manufacturing Business - (CML 11349)

Food Manufacturing premises East Auckland, currently closed down but ready to reopen now! In the past this business has successfully manufactured one single dairy product and supplied to mainly Asian supermarket style businesses. A secure lease and reasonable rent are offered to the new owner. There is a Food Control Plan in place as well as Transitional Facility status (this should be checked during due diligence to ensure suits the new owner requirements).

This well setup premise is approx 192 square metres in size and includes a walk in chiller and freezer. It has an added bonus of a delivery van and the site comes with ease of parking.

There are many options here for a new owner who may choose to add more product, or create a new food or beverage manufacturing concept. It would also suit a catering concept.

Priced at only \$104,000 including stock of approximately \$5,000 (plus GST if any).
