Ready-to-Run HR Consulting, Training & Coaching Company - NZ Registered Entity with IP & Strategic Assets

Are you an HR professional, leadership coach, or independent consultant looking to launch your own practice — with a serious head start?

Lanterne Rouge Online Pte Ltd (NZ Entity) is now for sale. Established in 2018, this HR consulting and professional coaching business is fully registered in New Zealand with a clean legal structure, active business bank account, and **no liabilities**.

Who This Is Perfect For:

This is a “*plug and play*” opportunity for a commercially-minded consultant or coach who wants to hit the ground running — without spending months building assets from scratch.

Whether you're transitioning out of a corporate HR role or scaling up your own consultancy, this business provides the infrastructure, IP, and credibility to help you launch fast and smart.

Please Note: This sale does **not** include existing clients, contracts, or revenue. It is a clean-slate, asset-based opportunity designed to give you a professional platform and growth-ready IP.

Location

Originally founded in Auckland — but easily relocatable anywhere in New Zealand. Operate remotely or hybrid depending on your vision.

Serious enquiries only. If you're an experienced coach, facilitator, or HR advisor ready to scale with purpose and profit, this could be your launchpad. Contact us now to discuss price and next steps!
