

# Traffic Management Business for Sale Waikato

## Traffic Management - Exceptional Opportunity

This high performing business is being offered to market for the first time.

Located in the Waikato this business provides traffic management services to major civil contractors and other key industry players.

This well-established and profitable operation has very good systems, great internal culture and excellent customer relationships.

The business has the following key attributes:

- \* Excellent reputation.
- \* Experienced team.
- \* Modern and well-maintained vehicles and plant.
- \* It is dedicated to service excellence.
- \* Solid support for transition post settlement.
- \* It is in an excellent position for continued growth.

The financial performance of the business is very impressive with increased sales revenue and cash surplus to the working owners over the last three years.

The business could suit a couple with management, finance and some operational understanding of traffic management services or could be an excellent add-on to an existing business.

No information will be made available until enquirers complete a confidentiality agreement and speak with the business broker.
