### A family-friendly run salon that caters for all age groups. Our walk-in system means no appointments needed.

If you're on the lookout for a business for sale in Blenheim, this might be worth a glance. Here's a family-friendly barber and hair salon that caters to all age groups. No appointments needed here; our efficient walk-in system means your customers can come and go as they please.

With an annual turnover of \$121,680, you're stepping into a well-established operation that comes complete with stock and all the essentials for a smooth transition. Priced reasonably at \$160,000, it's a solid investment in the health and beauty sector.

Whether you're a seasoned professional or looking to break into the market, this salon could be the opportunity you're after. Interested? Let's have a chat and see if this business could be your next venture.

### Business Resources

A loyal customer base drives steady foot traffic through walk-ins and repeat business. Renowned for fast, high-quality cuts, it's backed by a turnkey setup with premium fit-out and transition support. Located in a high-visibility area, the space includes a separate room for added services or sublease income. With strong margins from efficient, chemical-free operations, it suits owner-operators or passive investors. More than just a business—it's a well-oiled, growth-ready platform with lasting momentum.
