Closed Down Automotive Workshop For Sale - (CML 11351)

An Automotive Service business located in a busy North Shore commercial area. Specialising in mechanical repairs and electrical diagnostics, this business had been trading for over 8 years before recently closing. The workshop is fully equipped with three hoists and service bays, offering a ready-to-go setup for a new owner.

The business was previously operated by a working owner and had a consistent flow of regular customers. This is an excellent opportunity for a mechanic looking to step into ownership or for an existing operator seeking a second location.

For the 2024 Financial Year, the business achieved sales of \$322,352 + GST and a profit to the working owner (SDE) of approximately \$89,103.

The current lease is in place with a monthly rent of \$3,187.61 + GST, including rates and building insurance. The premises offer a practical layout, good parking, and 3 hoists already installed — saving the buyer time and fit-out costs.

The asking price is \$59,000.
