Solar Business Opportunity in a Prime Lifestyle Location - Be Your Own Boss

Profit \$150,000 p.a

Forget the franchise fees - this independently owned solar business gives you the freedom to run your own show while living in one of the most desirable regions of the Coromandel Peninsula. This sought after Pacific Coast holiday destination continues to expand with high-quality homes being developed constantly.

The majority of these new homes do not include solar energy and are all potential clients. With solar power becoming a practical and cost-effective solution for households and businesses alike, this is your chance to tap into a booming industry with real purpose and long-term growth.

Key Highlights:

- Well-established and known in the local area
- Low overheads and minimal stock requirements
- Ideal for an electrician wanting to go out on their own
- Perfect partnership opportunity for a husband & wife team or business partners to share this opportunity
- Great add-on for existing electrical businesses looking to expand into solar
- Huge growth potential as technology improves and demand increases

Solar isn't just the future - today it makes financial sense. This business is already powering homes across the region, one rooftop at a time.

If you are looking to get into your own profitable business, why not combine it with a change of lifestyle - the perfect combination. We know you will fall in love with the area!
