

Heating Solutions Business for Sale Christchurch

Consistent Revenue & Margins, Pandemic & Recession Proof!

The Business

Successfully operated by the current owners since 2008, this business has generated incredibly consistent revenue over the last 6 plus years. With 2025FY sales beating 2024FY, and Q1 2026FY ahead of the same period last year this is a rare opportunity in the current climate. Offering heating product sales, installation and service to Canterbury customers, they have one of the largest ranges in the region.

Key Points

- Currently Managed, with various options available to a new Owner Operator
- Q1 revenue up on prior year
- Excellent showroom in ideal location
- 2 exclusive product ranges
- Consistent margins
- Subsidies available to some customers
- Essential products, with thousands due to be replaced over the next 5 years
- Opportunities for future growth
- Well respected and reputable within the industry and region

Business Resources

The Buyer

No experience is necessary apart from good general business acumen. There are multiple options available for a new owner to work in the business and stamp their mark. With deposits paid by customers and favourable payment terms from suppliers working capital requirements will be kept to a minimal. This is a bankable business!!
