Gourmet Catering on Wheels - Unique Lifestyle Business Opportunity

If you're passionate about food, people, and unforgettable events, this vibrant mobile catering business delivers it all - flavour, flexibility, and fantastic returns.

Renowned across the Bay of Plenty and beyond for its irresistible wood-fired fare, this one-of-a-kind business has carved out a strong name in the wedding and events scene. Operating part-time and primarily over the summer season, it delivers a healthy circa \$80K cash surplus, proof that great things happen when passion meets purpose.

From slow-roasted meats and fresh-from-the-oven pizzas to beautifully curated salads and grazing platters, everything is made onsite, from scratch. The experience is as memorable as the menu - served from a custom-built wood-fired food trailer that's fully relocatable and festival-ready.

Bookings are strong, the reputation is impeccable, and the growth opportunities are enormous. Whether you want to scale up with weekday vending, take on more events, or even explore franchising, the platform is here, ready for your next move.

With excellent assets, forward bookings, well-documented systems, and experienced staff willing to support the transition, this is a perfect opportunity for someone with culinary flair and business drive or a savvy investor seeking a high-demand, well-branded venture.

Asking Price: \$130,000 incl. \$50K of tangible assets.
