Operating across two generous territories, the business delivers trusted companion driving services to seniors, school children, and people with mobility challenges.

Run from a home office with low overheads, the business has built enduring relationships with clients and local organisations. With approximately 350 customers, a fleet of three branded vehicles, and a track record of care and professionalism, it enjoys consistent bookings, referrals, and repeat business.

Highlights:

- * Home-based operation with no lease costs
- * Three well-maintained, sign-written vehicles
- * Over 200 loyal and regular clients
- * Long-standing community and health provider ties
- * Respected national franchise with strong support
- * Established in 2016 and now with two large territories

With demand rising from an ageing population and growing disability sector, the opportunity exists to scale into evenings and weekends, or add more drivers to grow revenue.

This people-first franchise is ideal for a community-minded owner-operator or duo who value flexibility, purpose, and stable income. Full training, onboarding, and franchisor support ensure a smooth transition.

Make a meaningful move into a trusted, future-ready business. Enquire today - this won't last! Please note: this opportunity is for a full-time owner-operator, and you are required to live within 10kms of the Glenfield, Northcote franchise area.
