

# Marine Services Business for Sale Auckland

JL BUSINESS SALES

## Boatbuilding and Marine Services

A rare opportunity to acquire one of Auckland's most respected marine repair and refinishing businesses, operating from a premium waterfront location with direct haul-out access.

With over 25 years of trusted trading, the business offers full-service solutions including boat building, structural repairs, insurance work, painting, antifouling, and project management. Purpose-built facilities support up to 6-8 vessels at once, and the business is a preferred provider for high-value launches, European yachts, and commercial operators.

Forecasting \$589K in maintainable earnings and semi-managed operations already in place, this is a standout acquisition for hands-on or strategic buyers. Competitive advantages include certified spray facilities, rare waterfront positioning, recurring insurance and compliance-driven work, and strong industry relationships.
