JL BUSINESS SALES

Ready to Roll

Established Trade Services Business - Rotorua

This high-performing operation services both residential and commercial clients across the Bay of Plenty and Waikato. With consistent seven-figure revenue, industry accreditation, and long-standing contracts with DHBs, Kāinga Ora, and local councils, it holds a strong regional reputation.

Staff-Managed or Low-Touch Ownership

The team is fully capable of absorbing the owner's current duties. An experienced Office Manager and Senior Installer can handle pricing, quoting, and oversight, enabling a hands-off or semi-managed model. A part-time retail assistant would provide added front-of-house support if needed.

Reliable Returns with Clear Growth Potential

With loyal clients, favourable supplier terms, and efficient operations, this is a turnkey investment. Buyers can grow earnings via digital marketing, improved procurement, or project expansion—making it ideal for investors or owner-operators seeking a resilient, cash-generative trade business.

Annual Revenue: \$1,665,416 (FY25)

Seller's Discretionary Earnings: \$164,087 (FY25 approx.)
