### Nelson Plastics Limited

This is a prime opportunity to buy an established, easy to operate, plastic manufacturing and service business in a sought-after location.

Established in 2012, Nelson Plastics Ltd. is the leading manufacturer and retailer of high-quality plastic products in the Nelson/Tasman region. Its core business is plastic and acrylic manufacture and fabrication, laser plastic cutting, plastic welding repairs and everything in between.

Nelson Plastics has a well set out factory that makes a wide range of products for an even wider range of customers. In fact, its extensive customer list includes government departments, major industries, SME's and the public.

It enjoys an excellent reputation with its customers, and this business is only offered for sale because the owners are now looking to retire.

Full training and ongoing support will be offered to the new owner.
