WHALE OF A BUSINESS WITH DEEP SEA PROFITS!  
Travelling between Dunedin & Antarctica

## Whale of a Business with Deep Sea Profits of \$500,000+

**A \$1,000,000+ revenue subantarctic charter operation, fully crewed and ready to sail!**

Evohe Charters isn't your average business, she's a 25-metre steel expedition yacht with over 30 years of experience supporting world-class scientific and conservation work in remote subantarctic waters.

Used by DOC, universities, and research institutions, this Dunedin based yacht is fully booked for the 2025/26 season, with a trusted crew in place and no need for the owner to be onboard.

Clients are locked in, crew are ready, and Evohe continues to deliver serious returns with ice-cold dependability.

### Business Highlights
