

Out of School Child Care Franchise for Sale Alexandra and Cromwell

Unqie oppotunity. Option to purchase one or both locations (Alexandra and/or Cromwell). Ability to work in or along side the programmes remotely. Hands on or hands off. Both programmes currently fully staffed with good number of children in each programme

Here's a unique opportunity to step into the rewarding world of child care (out of school care) with this franchise resale in the thriving locations of Alexandra and Cromwell.

This well-established out of school care service is currently fully staffed and supports a good number of children in each programme (before, after school and holiday programmes). You have the flexibility to manage the business hands-on or from a distance, making it an ideal fit for various lifestyles.

You can purchase one or both locations at an asking price of \$30,000 plus GST for each. It's a straightforward setup that's ready for you to take over.

If you're interested in making a difference in the community while running a profitable business, don't miss out on this opportunity. Contact us today to find out more about this child care franchise and how you can get started.

Business Resources

Both programmes fully staffed, have fantastic systems in place. Current owner has been involved in the franchise for 10 years and only selling due to family commitments.

Great supportive head office, all gear and resources included. Full training and hand over process.
