

Shade Installation Business for Sale Auckland

Well-Established Outdoor Shade & Cover Installation Business - 19 Years of Proven Success

This trusted and reputable outdoor cover and shade installation business boasts a strong 20-year history, backed by a loyal customer base and a respected presence in the industry.

A true turnkey operation, the business services both residential and commercial clients, delivering high-quality, innovative solutions—including shade sails, fixed structures, drop-down awnings, repairs, ongoing servicing, and more. Strong partnerships and consistent referrals from suppliers and clients have driven the business from strength to strength.

Well suited for an owner operator, this opportunity is perfect for a motivated buyer to skip the challenges of starting from scratch and take over a sound business with excellent growth potential. Alternatively, if you have a similar business, this is an ideal opportunity to expand.

Business Resources

Highlights:

1. Fully relocatable from current premises
2. 19 years under the current ownership
3. Established supplier and contractor relationships
4. Repeat business from loyal client base
5. Preferred installer status with major suppliers
6. Sale includes all assets, inventory, and intellectual property
7. Full training provided at current location
8. Generates approx. \$100K PA for the current owner, with room to grow

The current owner operator is ready to move into a new chapter of life and is seeking someone ready to take the reins and continue building on this successful foundation. If you're looking for a profitable, established business with a solid reputation, this is your chance to step in and get started immediately.
