**An established, ready-to-run business with low overheads and a strong customer base. Providing around 100 meal orders per week from regular customers.**

Are you looking to step into a ready-to-run business with low overheads and a strong customer base?

Healthy Munch is a well-established, home-based food delivery business based in Invercargill, ideal for someone with entrepreneurial drive who wants to minimise start-up risks.

Rather than building a business from the ground up, you'll be taking over a reputable and smoothly operating venture with solid systems in place.

On average, we receive around 100 meal orders per week from regular customers.

### Key Features:

- Home-based with low overheads
- Operates from a home based registered kitchen (certified by Invercargill City Council)
- Steady income with high repeat orders from loyal clients
- Can be managed by one person with occasional help from a part-time staff member
- Includes 15+ well-developed rotating menus
- A professionally designed website with online ordering system
- Ongoing support and training will be provided to ensure a smooth handover

You'll receive full support and training to help you settle in and run the business smoothly.

If you're passionate about healthy food and want a flexible business you can run from home, this could be perfect for you!
