STELLAR CHILDCARE OPPORTUNITY
Kumeu

Childcare Opportunity - Kumeu. Ideal For An Owner / Operator

Located in one of Auckland's fastest-growing lifestyle regions Kumeu, this purpose-built child care centre offers the opportunity for an owner-operator ready to roll up their sleeves and put the required focus into the operations.

With a current licence for 80 children and the potential to extend to 100, the upside is right there for someone willing to be hands-on, invest time into community relationships, and increase the occupancy & profits.

Business Highlights

- Licensed reduced for 80 children currently, with potential to expand to 100
- Verified FY25 funding revenues of \$645,000
- Large, purpose-built facility on a spacious site
- Excellent long-term lease in place
- Ideal for an owner-operator - daily hands-on leadership will be key for this centre

This is not a passive investment, it's an opportunity for someone ready to get super involved, build enrolments, and realise the full potential of an under-utilised centre in a high-demand growth area.

If you've got the drive & ambition to execute on the above, then I'd love to hear from you! Give Henry Helsby the ECE / Childcare specialist a call today on 021 817 096 to arrange a walkthrough.
