

# Service, Installation & Maintenance Business for Sale Rotorua

**kakapo**

SERVICE, INSTALLATION, MAINTENANCE  
Rotorua

## Service | Installation | Maintenance. Profits of \$629,000+

The current owners have done the hard graft over 15+ years to establish the brands and build a great team. With retirement calling its time for new leadership to support the large established customer base. This business is the major player in the local region with the supply and installation rights to premium products for New Zealand and international brands in the rural sector they operate in.

The sector the business operates in is in a very strong position, which bodes well for forward work and solid profits in the coming year. A purchaser should expect a rock-solid extended handover by genuine sellers who want to see a purchaser do well.

### Business Highlights

- Profits of \$629,000 (2-year average)
- Great team on the tools – substantial experience
- Weekly sales average of \$63,000+GST
- Exclusive rights to premium brands for their region
- Solid leadership in place can operate without the owners
- Multiple revenue streams and diverse product offering
- Scope for growth around marketing & product offering
- Consistent product sales & ongoing maintenance work
- Great handover on offer for a seamless transfer of ownership
