Salon. Strong 24 Y/O Reputation. Price Dropped!

An exceptional opportunity exists to acquire a long-standing and highly reputable beauty parlour that has been continuously owned and operated since 2001 - 24year strong establishment. Underpinned by a loyal clientele, strong brand equity, and an attractive contemporary fit-out, the business is strategically positioned for a seamless transition and continued trajectory of growth under new ownership.

The current owner-an accredited employer-is prepared to facilitate the transfer of their compliant and well-maintained legal entity, featuring a clean trading history with both Inland Revenue and Immigration New Zealand. This represents a material value-add for purchasers seeking to sponsor skilled offshore talent or onboard local staff on closed work visas, subject to prevailing INZ regulations.

Key Investment Highlights:

- * First time on the market after nearly 25years under the same ownership.
- * Sale includes the accredited employer entity, creating a streamlined compliance pathway.
- * Established and loyal customer base supported by strong community presence.
- * High-visibility main road frontage with convenient door-front parking.
- * Two-level configuration enabling service differentiation-general treatments on the ground level and private, discreet services on the lower level.
- * Opportunity to operationally separate men's and women's services across defined zones.
- * Contemporary, high-quality fit-out including premium seating, upgraded flooring, and professional lighting.
- * Exclusive head-spa treatment offering a competitive point of difference in the local market.
- * Secure lease supported by very low monthly rent of \$2,105.40 + GST, inclusive of rates and building insurance, resulting in exceptionally low overall outgoings and a highly cost-efficient operating structure.
- * Comprehensive training and handover to ensure continuity of service delivery.
