

# Import & Distribution Business for Sale Auckland

## Homebased Import / Distribution Guaranteed Return

Exciting opportunity to be the NZ Brand Manager and Master Supplier in a classic and growing bit of home-grown Kiwi family past-time culture.

You'll have the exclusive rights to import and supply products that are manufactured overseas to the highest of standards, imported directly to NZ and already a well-known product within the niche pastime of a lot of Kiwi homes.

In addition to this, the current supplier works only 10 - 15 hours a week with a contracted and guaranteed revenue stream supplying upfront payments to eliminate cash-flow risks.

Return to a working owner conservatively \$150,000 plus pa (projected 2025/26 financial year) with very real upsides in play. Minimal working capital required as payment terms are upfront.

The products are already in Big Box retailers. Expansion through additional products to come into the country are already in place... the benefits couldn't be any more obvious.

This business will be very appealing to those who want to own a "semi-managed" opportunity with only 10 - 15 hours a week needed, thanks to the impressive setup.

Call now, this business will be incredibly popular.
