

Accounting Practice Business for Sale Palmerston North

Established Accounting & Tax Services Business in the Manawatu

Step into ownership of a well-established, thriving accounting and tax services business in the heart of the Manawatu. This is your chance to acquire a profitable, turnkey operation that's part of New Zealand's leading accounting franchise network, Small Business Accounting (SBA).

Why Choose This Opportunity?

This business is ready for an ambitious new owner to build on its solid foundation of success. Whether you're an experienced accountant, an aspiring sole practitioner, or looking to expand your current operations, this opportunity delivers immediate cashflow, growth potential, and unmatched support.

Key Highlights:

Steady Revenue & Profitability: Dependable annual revenue and recurring monthly income ensures financial stability from day one.

Thriving Client Base: Over 70% conversion rates on inquiries demonstrate a strong brand and high demand and robust growth trajectory.

Established Relationships: A loyal, long-term client base offers reliable revenue and opportunities for upselling additional services.

Growth Potential: Expand service offerings, boost client engagement, and capitalise on this growing market to drive revenue further.

Smooth Transition: The current owner is committed to ensuring a seamless handover and will provide post-sale support to help you hit the ground running.

Why SBA?

When you join SBA, you're backed by New Zealand's most recognised accounting franchise, a network with:

- A \$1 million annual advertising budget, delivering consistent brand visibility and client inquiries.

- Comprehensive marketing, consultative and training support to ensure your success.

- A trusted reputation for reliability and professionalism, with over 150,000 tax returns filed annually nationwide.
