Sweet Opportunity Awaits - Profitable Confectionery Business

Profit \$400K+

Stock & Assets incl.

Step into a well-established and fast-growing retail and e-commerce confectionery business, offering a vast range of lollies, chocolates, and specialty treats.

This turnkey omni-channel operation includes a bricks & mortar location, a high-performing online store, as well as growing distribution business with export potential.

With strong consumer sales, the business also serves a wide range of corporate clients, supplying everything from branded promotional packs to customised gifting solutions delivered nationwide and internationally.

With a loyal customer base, robust systems, and scalable operations, this business is perfectly positioned for continued growth under new ownership.

Key Highlights:

- Strong brand presence and loyal customer base
- Shopify-powered e-commerce platform with nationwide reach
- Diverse product range including American candy and freeze-dried treats
- Scalable business model with growth potential in wholesale and export
