

Workplace Drug Testing Franchise for Sale Napier / Hastings

Peak performing franchise with exclusive territory, high margin revenue and long standing contracts with blue chip local and national clients

TDDA is a market leader in all aspects of workplace drug testing including policy support, education and health services. The Hawke's Bay franchise has year on year strong financial growth with a diverse client base including but not limited to forestry, construction, manufacturing, transport, roading, ag/horticulture, civil contracting, engineering, government and councils. Occupational health services deliver PEMs, AHMs, vaccinations, respiratory fit services and more. TDDA Hawke's Bay has a trend of strong growth with considerable scope to continue to expand, supported by the TDDA national marketing and referral systems. The investment includes the right to operate as a franchisee, onsite operational training, IT systems training, business development and support from TDDA Head Office and group purchasing and marketing power.

Business Resources

Experienced operational and technically trained staff with a dedication to service excellence and safety. Two high profile accredited clinics, two Ford Transit mobile testing vans and branded Health Tick Mitsubishi Eclipse. Exclusive territory covering Napier, Hastings, CHB, SH2 and SH5 borders. A strong local reputation and loyal customer base. Long term service level agreements with leading Hawke's Bay employers. Access to bespoke and secure IT systems and TDDA Franchisee Business Mentoring Programme.
