Auckland Long-Standing Accommodation - Strong Returns & Easy to Run

An excellent opportunity to acquire a well-established and profitable student accommodation business in Auckland with a successful trading history of over 15 years.

Operating across four Auckland properties with a total of 66 beds, the business maintains strong and consistent occupancy, supported by long-standing relationships with a wide network of education agents and schools.

Key Highlights

- Over 15 years of successful operation with a strong reputation
- Limited owner involvement, simple operation with minimal staff requirements.
- Multiple income streams including rent, airport transfers, and linen hire
- Consistent performance with reliable returns
- Further growth potential through expanding into more overseas student markets and adding new properties under the existing operational model.

A stable, low-maintenance accommodation business with strong goodwill and consistent returns — ideal for investors or hands-off operators seeking a trusted, income-generating business in Auckland's education sector.
