### Proven Metal Fabrication & Design Business

For over two decades, this respected Christchurch-based engineering and fabrication company has turned concepts into reality.

With a rock-solid reputation, skilled team, and modern systems, it's primed for the next owner to take it to new heights.

#### Business Highlights

- \* Proven Performance: Over 20 years of steady growth and industry respect.
- \* Diverse Client Base: Serving multiple industrial and commercial sectors.
- \* Comprehensive Capability: In-house design, CAD, laser cutting, welding, and press brake fabrication.
- \* Expert Team: Experienced tradespeople supported by efficient ERP and management systems.
- \* Expansion Ready: Add subcontract services, integrate powder coating, or scale production to meet demand.
- \* Trusted Relationships: Longstanding partnerships built on reliability and collaboration.

#### The Opportunity

This is your chance to take the helm of a respected, profitable, and scalable fabrication business.

Whether you're an established operator, industry buyer, or hands-on engineer, you'll be stepping into a business built on performance and ready for growth.

With consistent profitability through all market conditions, it's a rare find in today's market.
