Coffee Drive Through. Lifestyle Plus!

This smart, compact coffee drive-through is a gem - simple, profitable, and built for lifestyle. Operating just 30 hours a week, Monday to Friday, it's perfect for an owner-operator who values freedom and flexibility while still earning a solid income.

Positioned on a busy commuter route within Auckland's northern lifestyle belt, it captures steady morning traffic from locals, tradies, and commuters. With minimal competition nearby, the regular customer base is loyal and growing - great coffee, fast service, and friendly smiles keep them coming back.

The setup is sleek and efficient: a purpose-built container fitted with a premium machine, grinder, refrigeration, and self-contained facilities - all in excellent condition.

Currently serving around 20kg of premium beans per week, there's room to extend hours, add weekend trade, or introduce smoothies and snacks to grow sales.

Rent is just \$1,200 + GST per month, and the landlord is open to a longer-term lease. Fully compliant under an NP1 Food Control Plan and easily operated by one person, this is a rare low-risk, lifestyle-friendly opportunity.
