SLIDE ON CAMPERS
Auckland

Slide on Campers. High Growth Market, 500+ Leads Generated

The heavy lifting is done: exclusive agency established in China with quality fabricator / factory, product compliance for NZ standards in place, sales and marketing infrastructure created including photo & video content.

In addition, the SEO is established and has generated over 500 leads. What's required is a purchaser who is prepared to pick up the phone and sell the in-demand product. This is not the current owner's skillset.

The first unit is sold and included in the sale is a working demo unit with full kit-out.

An ideal purchaser has sales skills, wants to work from home, and likes the camping / off-road industry.
