

Wellness & Recovery Business for Sale Christchurch

Proven Systems; Strong Growth Opportunity`

The Business

This well-established Canterbury-based wellness studio offers a holistic range of recovery and therapeutic services that support physical and mental wellbeing. Built with no expense spared.

- Over \$1.1 million invested in premium fit-out and infrastructure
- Purpose-built facility operating well above industry standards
- Proven profitability and consistent performance since inception
- Robust systems and management structure already in place
- Flexible model ideal for an owner-operator or investor

Clients

Clients span all demographics, from young professionals and active individuals to those seeking stress relief, recovery, or general wellbeing support.

- Loyal and growing membership base
- Balanced mix of recovery and wellbeing services
- Continues to attract new clients as interest in holistic health grows

Staff & Assets

- Experienced manager supported by a reliable part-time team
- High-quality, well-maintained facilities and equipment
- Studio presents as new with minimal capital outlay required
- Designed for longevity and easy day-to-day operation

Business Resources

The Buyer

This opportunity suits an owner-operator or investor passionate about health, wellness, and community connection.

- No specialist qualifications required
- Strong potential for revenue growth via increased utilisation and marketing
- Lifestyle business offering flexibility and meaningful customer engagement
