Successful Painting and Plastering Business for Sale

North Harbour Plaster and Painting has been a successful business with a 4 year track record to show for it.

As a sole trader I always have work coming in to keep me busy. Business includes small jobs like patching and painting holes left by electricians to painting house exteriors with the help of sub contractors.

Work comes from website visitors, existing clients and referrals

Sell price is significantly less than annual earnings

Books are available to view

Owner moving to Waiheke
