

Furniture Moving Trailers Franchise for Sale Auckland

Furniture Trailer Hire Business. Or, all the ingredients to start your own franchise!

New turn-key business, 100 percent ready to start operating anywhere in New Zealand.

You are purchasing the assets and the IP of "U Move" Furniture Trailer Hire, which includes the trailers.

This business has not operated and was set up with the intention to franchise.

The company has very strong catchy commercial branding and high brand recall and awareness potential.

This is an opportunity for a motivated individual to purchase a business where all the work has been done setting it up to start operating from day one.

Business Resources

The company profile and website have already been fully developed and are ready to start operating.

There are currently 3 sign-written rental trailers included with the business, but more could certainly be added with potential for growth or franchising.

The assets include: The content of the website, as well as the operating contract.

The business has a highly desirable and easily remembered 0800 number (0800 500 600).
