

TV Aerial, Satellite Dish & Wood Burner Removals Business for Sale Auckland

TV AERIAL & WOODBURNER RECYCLERS

REMOVE & RECYCLE

Profitable Business for Sale - Dominate. An AI proof Niche With Low Overheads & High Margins

TV Aerial and Wood burner Recyclers is a highly profitable, low overheads and high margin business removing Woodburner, TV aerial and Satellite dish from people's houses.

For ten years TV Aerial and Wood burner recyclers have been providing quality removal services to Aucklanders.

Reluctantly we are selling this part of our business as we have other growing businesses that require our full attention. We have priced the business very competitively and the new owner will easily get their money back in the first year.

TV Aerial and Wood Burner Recyclers are the number one dedicated Wood burner, TV aerial and Satellite dish removal service in Auckland. Having several high ranking keywords on the first page of google means we get regular quality leads at no cost. We don't need to advertise as we get all the business, we need from referrals and online requests.

We have a modern and easy to use Website, free leads are regularly sent by email by people filling out the form on our website.

This is not a hard business to learn to run, we had no experience in this industry when we first started, and we will provide clear training to the new owner on the step-by-step process for each removal type.

This business would suit a company looking to complement its revenue or someone who wants to be hands on and have a head start with a ready-made business.

Most jobs are one level but some are two so this would suit someone who does not mind working at heights.

Business Resources

Sale includes our modern website, digital assets, social pages, Google analytics page, Google My business page with over 70 five-star reviews and training to get you up and running. Stock is sold at cost at time of sale. Tools are also available for purchase if required.
