\$35K A Week | Major Franchise Restaurant

There are genuine reasons to get this business sold, creating what could be an exceptional buying opportunity for the right hospitality operator.

This is a substantial North Shore restaurant franchise generating weekly sales of around \$35,000, occupying a large, high-profile site in one of the area's busiest commercial and hospitality precincts.

With seating for approximately 183 guests, a full bar, extensive kitchen and dining facilities and an established franchise system behind it, the infrastructure here is impressive.

To establish a restaurant of this scale from scratch today would require very significant investment. Here, the foundations are already firmly in place.

And there is more in this business.

For a driven owner with strong hospitality instincts, great customer service and the energy to push the operation forward, there is genuine opportunity to grow sales, profitability and ultimately the value of the business.

Buy well. Drive performance. Build value.
