Home Based Construction Products Supply

A well-established construction products supply business is now available for acquisition. The business offers a wide range of tools and other construction-related products, serving both trade professionals and DIY customers.

Key Highlights:

- Operating for a few years with a strong market presence.
- Home-based operation with very low running costs.
- Diverse product range tailored to construction and building needs.
- Online platform for easy ordering and trade account options.
- Competitive pricing and reliable supplier relationships.
- Repeat customer base and excellent growth potential.
- EBPIDT for working owner exceeds \$140,000 for FY2025.

Why Buy This Business?

- Flexible location and minimal overheads.
- Growing market with potential for significant expansion.
- Online ordering platform and trade account options already in place.

Ideal Buyer:

- Individuals or companies looking to enter or expand in the construction supply sector.
- Buyers seeking a business with established operations and scalability.
- Someone with a construction background to leverage industry knowledge.
