

Building supplies. Business for Sale Whangarei

Scooters Plywood & Joinery Supplies. Well established, 26 years in business, large premises, plenty of room for development.

We supply Plywood and panel products to the Building, Cabinetmaking, and Boatbuilding Industries, also Schools, Signwriters and DIY markets. We cut to size for retail and Trade customers. We now have access to framing timber and have a range in stock.

Business Resources

We have a staff of 5 people including the owner on various hours ranging from 20 hours per week up to full time.

We have two (small) delivery trucks and a Van, we travel throughout the North for deliveries and customer calling.

We operate a Dimension saw and various hand tools required for machining of panel products.

A very large warehouse and long term lease allowing us to expand into the timber market.
