Super cool brand, 5 star reviews, all natural product and an easy business to operate!

E-commerce store and strong stockist relationships. Everything all set up and ready to grow! Opportunity to easily broaden extend product lines and get more exposure with Google Ads, Google Shopping and through social media. Or actively seek out new distributors, partners, take to markets or add to your current store offering.

Would be perfect for a digital marketer or content creator in a still growing segment of the natural health market.

Selling due to a sudden and ongoing change of circumstance.

Business Resources

E-Commerce site with excellent speed and health and set up with GTM and GA4. Email workflows set up. Relationship introductions to stockists and suppliers. Brand assets and hundreds of photographs. Generous handover - we want it to succeed and grow!
