

Home Linen Business Opportunity for Sale New Zealand Wide

Turnkey Online Home Linen Business - Ready for Growth!

This unique opportunity allows you to take over a charming online business founded in 2015 out of a genuine passion for high-quality linen. This is the perfect foundation for a motivated individual with a love for home textiles.

The Business

1. Handcrafted Quality: All products are individually handcrafted and made from 100% cotton.
2. Products cater to babies, children and adults and include duvet sets, sheet sets, table linen and hand towels.
3. Location Flexibility: Currently operating from a private residence in the Waikato, this online-only business can be easily relocated anywhere.
4. Website: The business operates through a professionally designed website featuring secure, integrated payment functionality powered by Windcave

A True Growth Opportunity

1. Please Note: This is a hobby business that has seen minimal marketing and sales in recent years due to the owner being based overseas. It currently generates minimal profit/sales and has minimal outgoings.
2. This is not a going concern seeking profit from day one, but an established brand and asset base, ideal for an individual who is passionate about home linen and ready to develop and market a beautiful, handcrafted product line.
