BOUTIQUE CHILDCARE CENTRE
Pukekohe

Boutique Pukekohe Childcare Centre. FY25 Profits \$105,000

Attention all current teachers & centre managers!

This boutique Pukekohe childcare centre is looking for its new owner-operator!

The centre has a long history in the area, with a great reputation along with deep existing ties to the community through multiple generations.

Due to change in personal circumstances for the current owner, we are looking for someone to come in and put their own touch on this established business.

Business Highlights

- FY25 Working owner profits of \$105,000
- Fantastic strategic location within the catchment area of the town
- Licensed for over 30 children
- Potential opportunity to purchase the freehold property
- Large subdivision on sale currently, 700+ new houses to be built
- Small, quality team already in place - all that's needed is you to drive the ship!

This business is going to suit someone who is going to be working in the business as the de facto centre manager, and is willing to roll up their sleeves and immerse themselves within the community to maintain those existing relationships.

Contact the childcare business sales specialist Henry Helsby today on 021 817 096 for further details on this fantastic investment opportunity.
