Auckland Home Staging, name, brand, clients and systems for sale! Unbeatable affordable entry into the market!

Great home staging opportunity. All the business good bits and buy your own stock to suit your own style. Clients, name, website, IP and marketing from an existing business. Most impressively though, you'll have New Zealand's first online instant quoting system for home staging. It feeds into your CRM, schedules jobs and sends automated emails to clients. Saving you so much time and effort, you are free to shop and stage.
