NATURE-BASED CHILDCARE CENTRE
South Waikato

Nature-Based ECE Centre in South Waikato. Profits \$250,000+

Here's your chance to step in and take the reins of one of the highest rated early childhood centres in the area.

Having been operating for 10+ years, and set on an expansive property, this business has established deep roots into the surrounding community.

There is a long lease in place currently, and there is also the option of purchasing the property along with the business.

Business Highlights

Outstanding outdoor setting: Children enjoy an environment heavily nature-based - a strong point of difference to other centres.

Separate Space Dedicated To Under 2's: An amazing space just for the little ones, where the needs are slightly different.

Strong Profits With Value-Add Opportunity: Working owner profits of \$250,000+ in FY25.

Established business, ready for new owner-operator: This means the new owner can maintain momentum - with clear potential to build further & add new value.

Long lease in place, or buy the property as well: A long lease is currently in place, expiring in 2040's, and you also have the option to buy the property along with the business should you wish.

This is a business that is absolutely perfect for someone with a passion for ECE, who wants to come in and really put their love & attention to a business that is really set up to succeed into the future.
