Popular Café with Trending Menu

Fuel Nation Café is a well-established health-focused café located inside Recovery Hub, Lower Hutt.

We specialise in premium coffee, smoothies, matchas, and high-end acai bowls, catering to a loyal community of health-conscious customers.

The café comes fully fitted with a complete kitchen, chiller tables, refrigeration, seating, and all operational equipment — ready for an effortless takeover. Weekly sales have grown from \$1,300 to \$3,000 as of October 2025, showing strong momentum and customer growth.

This is a turnkey opportunity for an owner-operator to continue building on a solid foundation within a thriving wellness facility.

Selling due to health reasons that are preventing me from growing the business further.
