NEW REAR GRANNY FLAT

UNDERWAY KAPITI

TRANSPORTABLE HOME

UNDERWAY TE KUITI

NEW ONE BED COSY UNIT

Presentable people with good communication skills earn excellent rewards for carrying out pre-contract local onsite assessments with our new clients.

We design and market quality but affordable granny flats and secondary dwellings from our Manawatu hub. We have LBP partners around NZ to build them. We need Assessors to meet onsite with potential clients, and complete a pre-contract checklist and report. We find those prospects with our national marketing, and they will have been quoted and ready to buy when you see them. Once you provide us with a report, we have a process that takes things from there. You receive \$1,500 from their deposit, and another \$1,500 from their completion payment. We aim for three new visits per week of which one should become a client, so approx 6 hours per week field work.

Business Resources

We provide full training, branded shirts, business cards, printed flyers, access to the live work portal, a local Facebook page which we place content in, an AHC email address, and a territory contact page on the main AHC website. For info and FAQs, click the link below.
