

Import Business for Sale Christchurch

Importing and supplying premium wooden garden buildings, products, and accessories designed to provide relaxation and enjoyment.

Elegant Scandinavian Garden Buildings

Nordic Concepts offers a well-established retail business importing and supplying premium wooden garden buildings, products, and accessories designed to provide relaxation and enjoyment.

Serving customers across New Zealand, the product range features wood-fired saunas and spas, as well as enclosed and open cabins and studios.

Business Resources

The product range features wood-fired saunas and spas, as well as enclosed and open cabins and studios.

Key Features:

- Established brand with an extensive online presence: www.nordicconcepts.co.nz
- Excellent reputation for high-quality Scandinavian-inspired products
- Expanding customer database and growing social media following
- Turnkey operation, including all systems, supplier relationships, and brand assets
- All inventory included at settlement
- Suitable for owner-operators or investors seeking a refined, design-focused retail opportunity

This represents an exceptional opportunity to acquire a profitable and reputable retail brand in a specialised market segment with significant growth potential.
