7. Artistic eye catching Avery Dennison vinyl wrap (powerful branding that turns everyone's head when you hit the road).

Business Assets Included

1. Professional brand logo
2. Website + domain
3. Social media page
4. All assets purchased brand new in September 2025

Everything included is ready to go — you can start earning from **day one**.

Around **\$140,000 invested**, including van conversion, fresh COF, vehicle servicing, complete grooming fit-out including premium equipment, labour and digital business assets.

Why To Pursue This Opportunity

1. 100% ready-to-operate — I have done all the hardwork.
2. Very low running costs (diesel, COF, Van servicing)
3. Massive demand for mobile grooming convenience
4. Perfect for solo groomers, couples, or expanding businesses
5. Fully relocatable anywhere in New Zealand
6. Earn from day one.

Business Resources

Based on my personal experience, I can guide with finance options (please note, I am not a financial advisor). This van has been evaluated by a professional and I have advertised it well below market value for a quick sale.

I highly recommend booking a viewing to see the van in person — the photos really don't do any justice.
