Established Kip McGrath Centre: 60 enrolled students, proven profits, recurring revenue, trusted brand, prime Henderson location, full franchisor support.

Kip McGrath provides professional after-school tutoring in maths, reading, spelling and English for primary & high school students. Proven 40+ year UK/NZ curriculum-aligned programmes deliver measurable results via small groups and one-to-one sessions.

West Auckland's growing families create strong demand for tutoring. With 50 enrolled students, recurring direct-debit revenue and an established reputation in Henderson, the centre offers immediate cash flow and growth potential.

Benefits include trusted global brand, comprehensive training, ongoing franchisor support, flexible hours, low overheads and the reward of transforming children's education and confidence. Turn-key opportunity for teachers or education-focused buyers.

Business Resources

Experienced qualified tutors, Kip McGrath's proprietary IP (40+ years of curriculum-aligned programmes, assessments & lesson software), fully-equipped centre (computers, furniture, resources), cloud-based student management system, comprehensive marketing materials. Includes 4-6 weeks initial training + ongoing franchisor support, curriculum updates and professional development.

The business is 100% ready to operate from day one.
